

A stylized, circular graphic in shades of blue and teal. It depicts a woman's profile in a three-quarter view, looking towards the right. Her hair is styled in a bun. Below her chin, there are several wavy lines representing water or a lake. The graphic is semi-transparent and serves as a background for the text.

Our Lady of the Lake Catholic School

New Parent Information Meeting
August 27th, 2020
5:30 PM

Our Lady of the Lake Catholic School exists to develop our students' God-given potential and to guide them to...

ACT JUSTLY,

LOVE TENDERLY,

WALK HUMBLY WITH YOUR GOD

MICAH 6:8

-

Digital Learning 2020

The screenshot shows the top navigation bar of the Our Lady of the Lake Catholic School website. The main heading is 'Fall 2020 Return to School'. Below the heading, there is a note: 'Updated information will be communicated to families via email and posted here.' The page is divided into two columns: 'School Communications' and 'Important Documents'. The 'School Communications' column lists several letters and templates from August to June. The 'Important Documents' column lists the OLL Return to School Blueprint Plan, the OLL Digital Handbook for Parents and Students, the Return to School Template from the Archdiocese of Portland in Oregon, the Digital Learning Protocol for Families, and the Digital Citizenship Contract. The footer contains contact information for the school, accreditation details, and parish information.

Website

Parent/Student Digital Learning Handbook

- Guidelines apply to all students
- Offers specifics for daily schedules, programs used, roles of teachers and parents
- Created with guidance from the Archdiocese of Portland in Oregon

Full time Digital Learning Schedule

- Instruction will occur 5 days per week.
- Families should expect their child(ren) to follow a regular, yet flexible school schedule routine over the course of each day, Monday-Friday.
- A weekly schedule will be shared with parents and students each Monday via email and posted in Google Classroom. This schedule will outline synchronous learning and expected assignments.

Full time Digital Learning Schedule

- A daily agenda will be shared with details of the synchronous and asynchronous schedule, posted each morning for grades K-5. This will provide a user friendly breakdown of the assignments/expectations for the day.
- Teachers will communicate with families to pick up instructional materials/packets or drop off instructional materials via a car line. These will include materials for projects, workbook pages or photocopies, etc. Families will be able to print materials if needed for safety.
- Office Hours will be held via Zoom M, W, Th for student questions.

OLL is required to follow state, ODE, and local guidance for a safe return to school. We are actively monitoring the case numbers and positivity rates for Clackamas County. We are committed to returning to school as soon as safely possible.

Google Apps for Education

- All classes at OLL use Google Classroom as means to communicate learning material, assignments, and share information with students. Students access Google Classroom using their school G-Suite email address. All students email addresses follow the pattern: first name, last initial, graduation year @ ollstudents.org
- Students use Google Docs, Google Slides, Google Sheets (all comparable to Microsoft Office products) to complete work.
- Students use their school Gmail account to communicate with teachers. Students are not allowed to email with other students or outside of our school domains.

Google Apps for Education

- Students in grades 3-8 have a school assigned Chromebook and charger.
- Students in grades K-2 are expected to use a home device. You do not need to download any special apps or programs other than the Chrome browser. OLL recommends a laptop or desktop computer in place of a tablet or iPad if possible.
- School devices are protected by two filtering softwares. School administrators can access all student histories, and students are unable to delete their histories. Filtering is not foolproof, and parent supervision and communication is the best safeguard for students on the internet.

Additional Apps and Programs

K-2	3-5	6-8
Google Classroom Seesaw Zoom Epic! A to Z Reading Typing without Tears	Google Classroom Zoom Typing without Tears Membean Reflex Math ALEKS (5th)	Google Classroom Zoom Membean No Red Ink ALEKS Soundtrap

Additional programs will be slowly introduced throughout September. Individual teachers will cover specific program use and expectations via communication letters, supplies handed on out Sept. 8th and 9th, and Back to School Night.

Upcoming Events and Dates

- September 8th and 9th, Supply/CB Pick Ups
 - 9-12 and 1-3.
 - Enter through atrium. One parent per family.
 - Bring bins/wagon for multiple students
- September 10th, First day of Digital Learning, First-Eighth
- September 14th, First day for Kindergarten students
- September 16th, Back to School Night: Elementary (Zoom)
- September 17th, Back to School Night: Middle School (Zoom)

Thank you!
