

August 11, 2020

Dear Parents,

Thank you for your patience as we continue to navigate the start of school. Due to the needs around Digital Learning, we have changed the **official first day of school to September 10<sup>th</sup>** (excluding Kindergarten). This will allow parents time to pick up Chromebooks, textbooks and other materials needed for Digital Learning on September 8<sup>th</sup> and 9<sup>th</sup>. The schedule for picking up supplies will soon follow.

Attached is the Digital Learning Handbook for parents. Please note, changes can be made at any time. If changes occur, you will receive an updated handbook as necessary. Please read the attached document containing OLL's expectations and plans for Digital Learning this fall.

Teachers return to the school site on August 31<sup>st</sup> for professional development. You will receive student Digital Learning schedules (which will include structured Zoom times) prior to the first day of school on September 10<sup>th</sup>.

Thank you again,  
Matt Gregor  
Vice Principal
